

## CHAPTER 3 VOCABULARY WORDS

### QUIZ #1

cell membrane  
cell theory  
cell wall  
chloroplast  
cytoplasm  
endoplasmic reticulum  
Golgi body

### QUIZ #2

host cell  
mitochondrion  
nucleus  
organ  
organelle  
ribosome  
tissue  
virus

### EXTRA WORDS FOR CH. 3

abiotic  
biotic  
brightfield/darkfield microscope  
chromatin  
cell  
lysosomes  
multicellular organism  
unicellular organism  
vacuoles

\*\*Extra words may appear on one or both quizzes. Should be studied for both quizzes.
